

The manufacturer is awarded the following type test approval mark in virtue of a component test report:

Category type test approval mark:

pressure

Technical inspection and surveillance organisation and test report:

TÜV Rheinland dated 2026-01-26

Manufacturer/Distributor:

SAMSON AG Mess- und Regeltechnik
Weismüllerstraße 3
60314 Frankfurt am Main
GERMANY

Type test approval mark:

TÜV . SDB . 26 - 233

Design:

bellow-sealed pressure transducer, acting directly on the actuator via a spring force accumulator; special purpose device

Type:

2401-1

The award is made pursuant to:

- VdTÜV-Merkblatt Druck 100, edition 2017-03-15, in conjunction with TÜV-Verband-Merkblatt General 002, edition 2022-09-20
- essential safety requirements laid down in Directive 2014/68/EU of 15 May 2014 (Pressure Equipment Directive)

Valid until:

2031-02-28

The award may be revoked. The previous certificate is replaced herewith.

Note: The manufacturer or importer must task the authorised inspector with conducting a yearly random check of components from the production line to establish their conformity with the approved type.
